Our suppliers have been supplying some of the choicest fresh meats & poultry in the north of England from a farm in the Yorkshire Dales for more than 30 years.

They pride themselves on quality. All their animals graze freely in open pastures, an approach which is not only much kinder to the animals but which also produces the highest quality meats, rich in flavour.

That is the way they farm, and that is the way they will always farm.

BEEF CUTS

all our food is prepared in a kitchen where nuts, gluten and other allergens are present & our menu descriptions do not include all ingredients. If you have a food allergy, please let us know before ordering.

Full allergen information is available on request.
